This template is an example of how to prepare an abstract for the 20th Iranian Chemistry Congress to be held on 17-19 July 2018 (Mashhad, Iran). The simplest way to comply with the requested abstract format is to replace the text in this template with your text. The title has to be typed in font Arial 13 pt bold. The Authors' names have to be typed in Arial 12 pt, with the presenting Author underlined. The Author's affiliations have to be typed in Arial 10 pt italics. The email address of the presenting Author is requested.

The main text has to be typed in Arial 12 pt. Color graphics/figures are allowed and welcome. We prefer jpeg, ChemDraw or ISISdraw formats. The relevant list of references has to be added at the end of the abstract. The ways to cite in the text are: [1], [2], etc. The reference format is shown in the Reference paragraph at the end of this template. The length of the abstract cannot exceed one page in this format. The abstract should be submitted as a DOCX file.

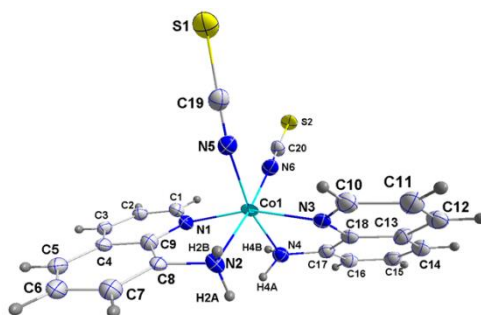

Fig. 1 The caption(s) of the figure(s) should be typed in this format. The font to be used is Arial 10 pt.
